HOKE SMITH CONTINUES HIS CAMPAIGN OF

" REFORM."

THREE MORE REPUBLICANS DECAPITATED-THE SECRETARY MAY GET "CALLED DOWN."

Washington, July 11 (Special) .- A boit of Hoke Smith's Anti-Civil Service Reform Lightning struck the Board of Pension Appeals to-day and knocked of its members who are Republicans of Connecticut, and Charles L. Maryland. It is understood that the head of the O'Neill, swelled Joy's majority to about 400. department desires "to impart a more Democratic appointed or promoted to the vacancies. are clerks detailed from the Pension Eureau.

took charge, the fact has escaped the attention of careful observers.

Some of the secretary's acts in relation to reductions and promotions solely for partisan reasons and purposes seem to have been so flagrant that the Civil Service Commission will be justined in officially calling the attention of the President to his performances. It is generally believed that Mr. Cleveland has already fell obliged to rebuke and warn Mr. Secretary Smith on more than one occasion about other matters, and he may be forced to do so again in this case.

CONGRESSMAN WILSON'S VIEWS.

THE WEST VIRGINIA STATESMAN WOULD BE WILLING TO ACCEPT THE CHAIRMANSHIP

OF WAYS AND MEANS. Washington, July 11 (Special).—Representative Wilson, of West Virginia, whose friends, as well as the President and the Secretary of the Treasury. desire and expect him to supplant Mr. Springer as chairman of the Ways and Means Committee, is Washington. Like Barkis, Mr. Wilson is exceedingly to take the chairmanship is he can get it. and he is also in favor of having the "tariff reform" begun as soon as practicable after the special sessions opens, and prosecuted with vigor to completion. In conversation with a reporter to-Wilson said he did not believe uld be any opposition to the re-election of Judge Crisp as Speaker. Being asked what he thought would be accomplished during the special session, he

That is rather a difficult question to answer. would seem impossible for me or any one at this time to assert with any degree of positiveness that Congress will do this or that. A large body of legislators is an uncertain quantity, and any one who has had experience would hesitate to anticipate their action. The silver question will undoubtedly come to the front at an early day, but what legislation will result cannot be told now. In my state there is no consensus of opinion upon the silver law, but I believe that a majority of the residents of Virginia are in favor of the repeal of the Sherman

Mr. Wilsen's attention was called by the reporter to the prominence of his name in connection with the chairmanship of the Ways and Means Committee. "Yes," continued the Representative, "I have seen

Mr. Wilson hesitated a moment, and then replied with a smile:

chairmanship, if it were offered to him. But I will say that the chairman of that committee during the next Congress will not have his honor without his labors. The position will be a most trying one to fill and will demand the entire time and attention of the person who occupies it."

It is evident that Mr. Wilson realizes the magnitude and magnifold difficulties of the Free Trade task which

THE BEHRING SEA ARBITRATION.

MAJOR HALFORD THINKS A DECISION WILL BE REACHED PROMPTLY.

Washington, July 11.-The advance guard of the returning Behring Sea Commission has arrived, in the persons of Major E. W. Halford and J. Stanley Brown. Major Halford has formally reported his return to the Department of State, and has surrendered his vouchers showing the expenditures made by him turned his balance over to Agent Foster and started for the United States. Major Halford will spend a few days in Washington and then visit his home in Indianapolis to straighten out his affairs before h army. It is probable that he will be assigned to duty under General Brooks, at the headquarters of the Department of the Platte, in Omaha. Mr. Brown has gone to his home at Mentor, Ohio. Major Halford believes that the arbitration will be

led in a shorter time than the three months allowed by the treaty under which the proceedings are being The arbitrators nearly all have good reasons to press the work before them to a con-clusion. Sir Charles Thompson is the Premier of the Dominion of Canada, and Sir Charles Tupper is the Minister of Marine, and many important interestclaim their attention at home. Baron Gram, the rwegian arbitrator, has been appointed a justice of the Supreme Court of his native country and is destrous of assuming his new duties. Baron Courcel, president of the arbitration, is president of the Orleans tailroad in France, and a man of large affairs, and serving at present at considerable sacrifice of personal interests. Both of our own arbitrators have cause to speed their work, for Justice Harlan idesirous of making a Continental trip and still return time to be present at the opening of the Su Court in October, while Senator Morgan is so deeply sted in the silver and financial questions that are to come before Congress that he feels it to be almost necessary that he should return to the United States soon after the special pession begins.

there are only two of the arbitrators who are footose in the matter of future occupation. They are Justice Hannon and Signor Venosta, but as the comnission has already been in almost constant session for four months they are not expected to interpose obstacles to a speedy decision of the question issue. The impression in Paris, derived from the questions put from time to time by the arbitrators during the course of the long argument, is that the arbitration will result in a decision recognizing the property right of the United States in the scals to a more or less limited degree, and recommending some international agreement for the protection of scal life.

NEW-YORK POSTMASTERS APPOINTED.

Washington, July 11 .- The total number of fourthclass postmasters appointed to day was ninety-nine. Of these, thirty-three all vacancies caused by resignations and death. Among the appointments were the following. New-York-N. S. Gidley, Burtonsville; G. C. Lewis, Coventry; A. D. Van Vechten, Deans-ville; R. N. Cooley, Hannibal Centre; C. D. Avery, Hastings; John Beckheimer, Little France; L. G. Dal-rymple, North Norwich; G. B. Morrison, Onelda Castle; J. W. Fhillips, West Monroe.

DR. SENNER'S DECISION SUSTAINED.

Washington, July 11 .- The appeal from the decision f Immigration Commissioner Senner, of New-York, cases of Ambrosia Silvestro and Rosario Cerintendent Stump, and Dr. Senner is directed to deport the persons named to the country whence they came, This case involves a violation of the Alien Contract Labor laws. Counsel for the appellants contended that "if these persons came under contract, in order to bar them it must appear that they had been assisted or their passage prepaid." Superintendent ruled that persons charged with hav-ing come to this country in violation of the Con-tract Labor law, who have paid for their own tickets, via New-York Central.

THE O'NEILL-JOY ELECTION CONTEST.

Washington, July 11 (Special).-There will probsome lively music in the House Committee on Elections, and afterward in the House of Representatives itself when the contested election case of O'Neill against Joy, of the XIth Missouri District, comes up for consideration. It is said that the alterations number nearly 1,000, and that they are not in the handwriting of the sworn stenographer who transcribed the testimony from his original notes, and it has been asserted that the alterations suffice to give O'Neill an apparent majority over Joy. The latter

I cannot tell now what effect these alterations will have on the result. On the recount I had gained 400 votes over Mr. O'Neill, but these faisifications may alter matters. They certainly were not made without a purpose, and a person would hardly stop until he at least believed he had accomplished the purpose aimed at. I shall take effective means to expose the fraud when the proper time comes."

Mr. Joy has in his possession a carton copy of the testimony as it was originally transcribed by the stenographer.

A HERESY TRIAL IN MONTREAL.

PROFESSOR CAMPBELL ACCUSED OF DENYING

THE INERRANCY OF THE OLD TESTAMENT. Montreal, July 11 (Special),—The Rev. Dr. John Campbell, professor of church history and apologetles in the Presbyterian College of Canada, was put on trial to-day before the Presbytery of Montreal. The charge was his alleged denial of the inerrancy of the Old Testament and the inspiration of the writers made by him in a lecture delivered in the University of Kingston in February. The Rev. R. W. Cruikshank presided, and there was a large attendance of clergymen and elders from Quebec and also from New-York, Prince Edward's Island, Ontario, New-Brunswick and Nova Scotla.

The committee appointed at the special meeting in June reported having met Professor Campbell on July 7, when he acknowledged the substantial correctness of the reported Kingston address and re-affirmed his disbelief in the inerrancy of the Old Testament. Dr. Campbell then addressed the Presbytery. He reaffirmed all the arguments of his lecture and said that he could not apologize for the statements then made. "Nowhere in my address," said, "have I questioned the inspiration of the scriptures as the supreme rule of life. On the con-trary, I have in the most definite form asserted that inspiration."

Inspiration."

Professor Campbell's written remarks were laid on the table and a long discussion ensued on the best means of proceeding with the case. Many members of the Presbytery defended Dr. Campbell, but on molion of Dr. Robert Campbell the Presbytery finally appointed a committee to draft a formal libel against the professor. This evening the libel was presented, but its acceptance being objected to, the Presbytery adjourned.

LUTHERANS IN CONFERENCE AT KINGSTON. Kingston, N. Y., July 11 (Special).-The semi-annual

conference of the Eastern branch of the Missouri synod of the Lutheran Church began here this attendance from the various States was large and representative. The Rev. E. A. Frey, of Brooklyn, was selected as president, and the Rev. J. Horst, jr., of South Manchester, Conn., was made secretary. An exegesis on the fifth chapter of First Timothy was given by the Rev. J. Heck, of Hoboken. The afternoon session was secret.

RESOLUTIONS FOR DR. CLEAVELAND.

Albany, July 11 .- The committee appointed by the Board of Managers of the Hudson River State Hospital to draft resolutions in regard to the services of Dr. eph M. Cleaveland, who has resigned as medical superintendent of the hospital on account of ill health, has presented resolutions which have been unani-mously adopted and signed by each member of the board, reluctantly accepting his resignation and ex-pressing their appreciation of his long and valuable services to the institution. Dr. Cleaveland, the resolutions say, carries with him in his honorable retirement the best wishes of the members of the board and all the pleasant memories which are associated with an uninterrupted friendship of over a quarter of a
